Enter Through The Narrow Gate.....	12
A Long Long Long Long Time Ago	13
He Has Risen!	14

God Is Bigger

Sometimes life can get us down
Things that happen make us frown
Slip on a banana skin
Trip and fall into a bin

Sometimes we just wonder 'why'?
Things that happen make us cry
We get ill or hurt ourselves
But we can always tell each other
But we can always tell each other

*God is bigger
God is stronger
Than anything that could ever go wrong
God is faithful
God is loving
Working in us to make us like his Son*

Sometimes people make us sad
Wind us up or make us mad
Call us names or pull our hair
Laugh about our underwear

Sometimes we feel on our own
Things that happen make us groan
Nothing seems to go our way
But we can always tell each other

God is bigger...

It's A New New Day

Thank you Father for today
Teach me how to choose your way
Help me lift my eyes to see who you are

You are faithful, always true
Every good thing comes from you
Meet me in your Word and help me worship you

*It's a new new day to sing your praise
It's a new new day to walk in your ways
It's a new new day to make you known
It's a new new day to see your kingdom grow*

Jesus you are all I need
Thank you that you died for me
Help me know you'll always be here with me

I am weak but you are strong
When I stumble you hold on
Help me turn away from sin and worship you

It's a new new day...

It's a gift of time you give
One more day for us to live
One more chance for us to call
On the name of Christ the Lord

It's a new new day...

God Made Everything

There's an ant, plant, hand span, ham, spam, jam, tram
Man, Ma'am, boy, girl, cheese flan
There's a car, spa, tar, bar, aardvark, hard bark
Shark, dark park, quark, lark

God made everything you see
He made you and he made me
There's an ink, link, pink drink, zinc, blink, sink, rink
God made everything

There's a prawn, lawn, dawn, horn, pick, tick, picnic
Zoo, Zulu, loo, tutu
There's a hot spot, knot, pot, tot cot, dot, yacht
Bees, knees, fleas, skis, sneeze

God made everything you see
He made you and he made me
There's a crane, brain, mainframe, plain grain, plane, rain
God made everything

Oh, God made everything you see
He made you and he made me
When you look everywhere, everywhere stare:
God made everything!

God's People In God's Place

Creation, Adam and Eve and the Fall
Noah, the flood and the Tower of Babel
God had a plan, he told Abraham,
And promised his family would be...

*God's people in God's place, under his rule
They will know his blessing, his blessing, his blessing
God's people in God's place, under his rule
They will know his blessing, his blessing, his blessing*

Abraham, Isaac and Jacob, twelve sons
A nation are slaves in Egyptian hot sun
But God had a plan, through Moses his man
He rescued them so they could be...

Joshua, conquered the land and moved in
Judges, showed that they needed a king
God had a plan, through David his man
He ruled them and made them to be....

Solomon, brought wisdom and blessing but then
Division, rebellion, so God punished them
Sent them away, his prophets proclaimed
That one day a remnant would be....

Jesus, everything finally revealed
The church, share the good news with the world
God made his plan before time began
When Jesus returns we will be....

All Around The World

Some people believe in him
Some have never heard of him
Others think that he's not even real
Everything was made by him
Everything was made for him
He is number one above all things

*All around the world
All the boys and girls
People from every tribe and tongue
Jesus is the Lord of everyone*

When he came into our world
God in all his fullness dwelled
In a man, but no-one understood
They tried to get rid of him
But death could not hold him in
He's the Lord of life, he is alive!

All around...

He's the Lord, he is the King
He's the boss, but here's the thing
Have you bowed the knee before his throne?
One day he'll come back again
Everyone will see him then
Every knee will bow before the Lord

It's A Light And A Hammer

Hold the power of the universe in your hand
Hold the words that shaped the sky and sea and land
The King has given words to us, to tell us what he's like
Open up your ears and let his Spirit strike

*It's a light and a hammer
It's a fire and a sword
It's the voice of our Father
The word of the Lord
The blade of the Spirit can cut to the soul
And God will use it to make us whole*

Hear the news of the promised king who came to save
Hear the news of Jesus who rose from the grave
Our King has come to live on earth and rescue us from sin
Open up your mind and let his Spirit in

It's a light...

Know the name of Jesus Christ that makes us new
Know the Son of God, the Word whose word is true
Our King has spoken to us, so there is no place for pride
He gives hearts of flesh and changes us inside

Father, You Are King of Heaven

Father, you are King of Heaven and greater than us all
Everything is in your hands from huge right down to small
Sometimes I forget that I can't do things on my own
Please now help me pray to you, and trust in you alone

*It's like an earthworm trying to press-ups
Like a potato trying to swim
Like a mountain trying to brush its teeth
When we don't rely on him.
When we pray we trust our Father,
That's what Jesus said
So I'll stop trusting in myself and pray to God instead*

Father, help me now to pray and spend some time with you
Father, you are always good in all you say and do
Sometimes I forget that I can share what's on my mind
Please now help me pray to you, knowing that you are kind

It's like an earthworm...

God Showed Us His Love

While we were still sinners
God showed us his love
By sending us his own son
Jesus died for us

*God showed us his love
When Jesus died for us
While we were his enemies
God showed us his love*

How do we know what love is?
God showed us his love
By sending us his own Son
Jesus died for us

God showed...

While we were lost and without hope
You rescued us with your great love

Why should we love each other?
God showed us his love
By sending us his own Son
Jesus died for us

God showed...

Justified

When I looked in the mirror, d'you know what I saw?
I saw someone who had broken the law
God's perfection is too high for me
But he made a way for me to be free

Jesus died on the cross - d'you know what he paid?
The price I owed for how I'd disobeyed
God's perfect Son took on all my sin
And he gave us freedom, I'm safe in him

*He came, he lived, he loved, he died
He rose again, and he justified
Justified! I'm Justified!
It's just as if I'd lived Jesus' life*

My life is free from guilt and shame
I've been justified in Jesus' name
Now in the mirror, here's what I see:
Jesus' goodness looking right back at me

When I heard how Jesus had died in my place
I had peace with God and joy on my face
Now in the mirror, here's what I see:
Jesus' goodness looking right back at me

He came, he lived...

Enter Through The Narrow Gate

Enter through the narrow gate, that's what he says
It's a squeeze but it's definitely best
To enter through the narrow gate

Jesus tells it very plain so that we hear
Walk the narrow way that he made clear
To enter: keep following Christ

*There are two gates, one leads to life
Choose carefully - it's found in Christ*

So don't follow everyone that you can see
Lots will go where you don't want to be
They're walking on the easy road

They're going to the gate that is simple and wide
Jesus says there is destruction inside
Remember: seek the narrow gate

There are two...

Jesus tells us how to walk the path leads to life
Lovingly he warns us and says it is hard to find
Father will you help us, keep us on the narrow way?
Please help us to listen to what Jesus had to say

A Long Long Long Long Time Ago

A long long long long time ago
God made a promise: he would send a king
A great great great great great great grandson
Promised to David
He would be a great king who would rule forevermore

*King forever,
King for everyone
King forever
Jesus, the king God had promised has come*

A long long long long time ago
God sent a prophet to describe his king
Wonderful, powerful, peaceful, eternal
He will have a kingdom
It will have no end, he is the king of everyone

King forever...

A little less long but still quite long ago
God spoke to Mary: You will have a son
The great great great great great great grandson
Promised to David
You will call him Jesus and his kingdom will not end

He Has Risen!

One day when Jesus was alone with his disciples
He told them of the things to come
'The Son of Man will die but rise up three days later'
They didn't understand him, 'What did he say?'
It all made sense on that third day!

*Jesus! He has risen!
Death is not the end
Jesus! He has risen
To the throne
He's coming back to reign*

One day they nailed Christ to a cross, outside the city
They crucified him with two thieves
One asked 'Lord, please remember me when in your kingdom'
All those who trust the Son have eternal life
'Today with me in paradise!'

Jesus! He has risen...

One day when Jesus then appeared to his disciples
They saw the prophecy was true
He showed his scars so they could see death was defeated
Jesus had died, was buried - the greatest cost
Jesus gave all to save the lost
